Dear Alan H. Channing:

It is a pleasure to inform you of the following action taken at the ASHP Commission on Credentialing meeting on March 2, 2018:

VOTED

To approve for accreditation the postgraduate year two residency in health-system pharmacy administration at Mount Sinai Hospital Medical Center, Chicago, Illinois; further,

To grant accreditation for six years (2024); a midterm progress report will be requested in three years.

(Note: The Commission identified that areas of partial compliance 1, 2, and 3 have been resolved to its satisfaction and no further information needs to be provided in these areas on the midterm progress report; all other areas of partial compliance should be addressed.)

The Commission arrived at its decision based on a thorough review of the report of the survey conducted on November 14, 2017, sent to you previously, and on your facility's response to the survey findings.
